To Use: Warm a small amount between palms and massage onto dry skin and remove with a warm, damp face cloth. Use morning and night

Night Oils

Amanda Lacey’s night oils lie at the heart of her own personal skincare philosophy – simple, luxurious and beneficial to the skin and spirit.

1. Camellia Oil

Camellia Oil is light and nourishing, penetrating the skin quickly to soothe and hydrate, giving your complexion a healthy, youthful glow.

The perfect blend of Sweet Almond oil, vitamin E and pure essential oils including camellia oil, rose oil and rosemary to gently lift away dead skin cells so your face feels incredibly soft in the morning.

Best for normal skin types

To use: Warm a tiny amount of oil between your palms and apply to the face and neck avoiding the delicate eye area. Massage using upward strokes until fully absorbed.

2. Oils of Provence

An excellent remedy for sensitive and delicate skins, this soothing night oil glides gently onto the skin to reduce redness and relieve dryness and irritation.

Lavender, Sage, Armoise, Eucalyptus & Bois de Rose provide the beautiful Provençale fragrance to relax both body and mind.

To use: Warm a tiny amount of oil between your palms and apply to the face and neck avoiding the delicate eye area. Massage using upward strokes until fully absorbed.

Persian Rosewater

Made from 100% organic Persian Rose Oil, this luxurious skin freshener gently tones and nourishes the skin.

Ideal for soothing the eyes or to refresh the face at any time of the day.

Nourishing Pink Cream

This luxurious anti-ageing moisturiser is rich in nourishing plant oils and is suitable for all skin types.

- Aian plant Centella Asiatica boosts collagen production and reduces the appearance of fine lines.
- St John's Wort tones and helps to neutralize free radical damage
- Oriental Ginseng restores and strengthens skin.

This is the perfect moisturizer to hydrate and protect the skin against the daily skin stresses of life.

To Use: Warm a pea-sized amount in the palm of your hand and massage over the face and neck.

Aqua Dolce per Bambini

(Unscented for delicate skins and babies)

The Aqua Dolce range is sourced from traditional beauty recipes. The essential ingredient is Rice Starch, which beautifully softens water delivering vital trace elements to the skin.

An effective emollient to nourish and soften the skin, Rice Starch has been used for centuries to soothe babies' skins, while leading dermatologists recommend it for diminishing the effects of psoriasis and eczema.

To Use: Pour a capful into running water and relax!

Aqua Dolce di Fiori

Amanda's signature bath time indulgence, Aqua Dolce di Fiori is based on a traditional Italian beauty recipe and is perfect for relieved the stresses and strains of a busy modern lifestyle.

- Natural Rice Starch softens water allowing trace elements to purify and hydrate the skin leaving it soft and firm.
- Rice Oil has traditionally been used to reduce the effects of psoriasis and eczema
- Mandarin & Orange essential oils to refresh & rejuvenate
- Lavender comforts both the body and mind ready for a good night's sleep
- Chamomile calms the nerves and soothes irritated skins.

To use: Pour a capful into running water and relax.
